Eric and I grew up together in Dayton, my name is Tommy Powell. I moved to Kentucky in 1988 and I didn't come back to Dayton to visit till I lost my uncle to cancer in 96. I come back again in 2004 when I lost my aunt to the same thing, and that's when I looked Eric up. He was living over by where he worked at can't remember the street but he had me come over. Me and him played hockey together and all kinds of mean type boys things growing up. He lived with his mom at his grandpa Bert and grandma Mimi house on Revere. I lived on Brookline, I'm so sorry for your loss Jean and I hope you remember me and if you would could plz get a hold of me on Facebook or my phone is 502-915-4377. I love you Eric my friend RIP my brother and God Bless the family and friends. Your friend Tommy Powell.

I rode on the back of your motorcycle's more times than I can count. May you be at peace now and fly high with all the other angels who got there before you. You will be missed my dear friend!!
