I am so sad to learn this news today. I was Barbara and Nicolette's neighbor that often helped them out when needed. My daughter would visit them and play chess and listen to them talk about how things were when they were her age. She really enjoyed her visits with them. Barbara was a very kind lady and I always enjoyed our backyard conversations no matter if they were 5 mins or 2 hours. I hope that peace comes to your family knowing that she is with the love of her life again. If there is anything that I can help with, please let me know. Susie
