Gay was certainly a joy to be with and communicate with from afar. Her outgoing personality is obvious to all that met and acted with her. She was a fine mother, wife and cousin. I always looked forward to receiving messages from Gay as I knew her humor would show up sooner or later. And it did! Our love and prayers go out to Gary, SueB, kids and extended family at this time.

No passing is ever easy, even when you have some time to prepare. I am so very thankful that at the time of her death, she had just visited relatives and her and Gary were in a positive/happy time. I have known Gay for 50+ years and will miss her so very much. All my love and blessings for Gary and all her children, grandchildren and great grandchildren Watch over us all, Gay-I am sure you will.
