My sincere sympathy and prayers to Tifani's family and loved ones. I knew her at Zale's back in the late 1990's in Southeastern Pennsylvania where she was my District Manager. She was instrumental in my promotion to management and future success. She was a genuinely good soul, a tireless teacher, and gave advice freely. Over the years our paths diverged greatly but I always thought of her fondly. God bless.

Craig and family, I worked with Tifani at Pearle Vision some years ago. I remember Tifani as one of the most genuinely kind, gracious and supportive people I have ever worked with. She was always quick with a smile and left you with an afterglow of positive energy. I learned a great deal from Tifani. She enriched my life and I am better for having known her. My heart felt condolences to your family for your tragic loss. Scott Humphries
