Art and I were saddened to hear of your Dad's passing. He and your Mom, both, made a great couple—loving and caring. He was a wonderful son to Lillian, and raised a very gracious super caring family. Your attention to your grandmother and your Aunt Ann was more than we could have asked of any family member. We appreciated all of you so much. I know you all saw your Dad got the best of care and even though we didn't get to see him often, he will be missed. You all can take comfort in the memories you can share together and remember the fun times you had together as a family.
