Although I had not seen Kaitlyn in a long time I will always remember her as a sweet and beautiful girl. Knowing her since she was very young she was the quieter one but always could light up the room with her positive attitude and smile. We have no words to say how sorry both Nick and I am on your family's loss. She was too young to be taken but she now may have the peace we all wanted her to have. Since we can't be there we send hugs and our love to everyone who loved Kaitlyn and I will always remember her as that sweet little girl who brighten our office.
