To the Entire Truax Family, I was saddened to read about Coach Truax's passing. He was a such a great guy. He is a legend in Lynn Pop Warner History. He taught so many Lynn kids the importance of the Team, representing Lynn proudly and working together to reach a goal. He was larger than life when I was just a kid. I remember it like it was just yesterday walking from the car to BU stadium for the Pop Warner Championship game, freezing, and looking over to see Coach being led into the stadium in a wheelchair. People still talk about that. How he couldn't care less about his bad back. All he wanted to do was coach those kids. Brian, Susan, Kerry and Brendan, you were so lucky to have this man as a father. The entire Burt Family wishes you our heart felt condolences.
