## **Michael Joseph Dineen**

JUN 29, 1957 - NOV 24, 2018

**M**ichael Joseph Dineen, 61, passed away from a heart attack in his home on November 24, 2018. He was born on June 29, 1957 in Indianapolis, Indiana to Ruth and Kevin Dineen. Mike had 5 brothers and 3 sisters. He lovingly referred to his Indiana home as “The Zoo”. Some of his favorite memories took place on the family sailboat, “The Jamaru”. It was only fitting that he would meet his wife in the sailing club, at Ball State University in Muncie, Indiana. Mike married Kim in 1980. After graduating, they moved to Fort Myers, Florida and had two amazing children, Kelsey and Ryan. Mike established his own company “Software Solutions” and spent over 20 years as the IT guy for doctors, lawyers and businesses in and around Fort Myers. In 2013, Mike became the IT Manager for The HomeMag. THM became more than a job, it became family. Mike was the kind of guy that was hard to forget and never knew a stranger. If you were lucky enough to become friends with him, you would be his friend for life. He has been described as loving, goofy and full of life. He was all of those things and so much more. Mike could fix anything, even if he initially didn’t know how, he would figure it out. His favorite things were traveling, camping, reading, eating out with friends and boating. Boating was his hydro therapy. But most of all, Mike loved his family. He was always there for them, supported them, entertained them and helped them. He was able to spend time with all the Dineens at Ryan and Devin’s wedding. He was able to walk his daughter down the aisle, when she married Kyle. He spent two weeks traveling with his wife and all 4 of his children. He made memories with his family that they will never forget. Mike was a great man, loving husband and the best dad. Mike’s life will be celebrated on Sunday, March 17, 2019 in Fort Myers Florida. This happens to be his favorite holiday, St. Patrick’s Day. This is how Mike would want to be remembered. Details will follow. The family asks that donations be made to Captains for Clean Water instead of sending flowers. Mike was preceded in death by his parents, Kevin

Kim, Kelli, and Ryan, and family: Mike lit up the room with his entrance and antics. His clever comments and coy sense of humor always made everyone laugh and feel at ease. Mike was kind, thoughtful, unique, and he was SO proud of his kids! It is impossible to believe that his gracious presence in this world has ended. You cry and the world goes on...WE are so sorry for your loss. We are grateful that we got to know Mike and Ryan and Kelly when working together at our business. Ryan, Pam was so sad for you; and she let me know immediately. Our hearts and prayers are with you.
