I received a letter from Lewis on March 25, 1997 helping me with some genealogy on the Knickerbocker family. I hope that followed up on the letter, but I can't remember now. I'm sorry I can't give him a call and talk to him now I did not know he had passed. We are distantly related. I am related through the Smith and Platte family.

I never met Lewis, but he wrote to me and sent me some information on my family genealogy. We are distantly related in some way through my Smith family. Elizabeth Platt married into the Smith family and she has a connection to the Knickerbocker family. I'm sorry that I didn't get to write him as now I'm interested again in a little research and I'm getting up in years. The best to the family Ruth Smith Colburn
