I had the honor of growing up with Loretta, and her parents, I am a good friend of her daughter Della. I think I spent more nights at her house than my own growing up, she taught me how to make Sweet North Carolina tea and the summer we were 13 WE got introduced to the Young and the Restless, and I have to say that I have watched it ever since. Always loved to ride in her fine Caddy's. Grandad used to take us strawberry picking in the summer. Such a gentle spirit and kind. She will be missed dearly by her daughters, Granddaughter's, and great grand children. With this I send much love to all of you. Collossians 3:16 Alicia

Loretta will be missed. I've known Loretta since the 1970's, when she, her 2 girls & I rode with Pat Scott, to school & work, at the School District. We'll miss Loretta at our monthly Lunch Bunch lunches. She supplied strings of beads & tiaras when we celebrated a birthday. I'm so glad I attended the lunch, last month, at Cracker Barrel. My thoughts are with her family & other friends. Elaine
