Tony will be miss by my brother and I for given us the pleasure to work with him and his family over the 6-7 years for their property in Cambridge Mass. Tony and I had many miles apart from each other, but we were always in touch taken care of his parents property. Tony will never be forgotten for what he believes in doing the right things for family, friends and working with others such as myself. We will love him and miss him but always be there looking over us. God Bless
