Please accept my heartfelt condolences on the loss of your beautiful mother and grandmother. When you see somebody who has lived such a long and fulfilling life, it may make the family wonder why their loved one had to die at all. But be assured God has promised us in the Bible at Revelation 21:4, that very soon he will do away with death and sickness from the Earth forever, and then he will resurrect Mildred to perfect life here on Earth, surrounded by family and friends, which has always been God's purpose for mankind and for the Earth.
