Dear Melinda and Family, I'm at a complete loss of words . I don't understand why Jesus chose my friend to leave us so soon . I know that Our Lord makes these decisions without notice or explanation and leaves all angry and sad . I know however that Jesus has picked this time for our brother , to join him and Louis is now in a beautiful place rejoicing with Jesus , and praying for all of us down here . My prayers and thoughts are , with you my friend Louis and that you are at peace and with Jesus and reunited with your dad . I pray for Melinda and all family to keep strong through this most difficult time . God Bless you all . Love .. Your friend , Brother in God and Neighbor..... John
