I have So many wonderful memories of my Aunt Marge. We were young kids when we all lived in Deer Park. She and My mom, her sister Fran, were very close. I remember us being in each other's houses a lot. A particular memory I Love, was as kids of around age 10 going through my Aunts big makeup drawer and putting on her makeup! Thank you, Aunt Marge for unknowingly planting the seed for my blossoming love of skin- care and helping women feel good about themselves as an Easthetician/MUA! I have memories of Bohemia as well, sad that you moved, but always a great time visiting. My Aunt watched my children as well for a time and my JAMES loved her very dearly. Then there were the chats we had sitting at the kitchen table at Artist Lake before her & Lou moved to FL. She was always unique & full of life and after searching in her younger years, grew to find a solid love in Jesus & became so strong in her faith. I regret that I never got to visit her in Florida, to see her home, & meet her friends there. Now Aunt Marge is with her older sister May, her sister Fran, her younger sister Rita, all her brothers, and her mom & dad, What a reunion it must be in Heaven!

Marge was a long time friend of mine. We met on Long Island and I was her maid of honor when she married Lou. We weathered many ups and downs of life together. She was a strong and positive person and I loved her dearly. Hi kindness and goodness still shines through Teresa and her family. I'm sorry I couldn't be there to help in the end but she will be forever in my memory and thought of with love.

Dear Mom, As hard as it was to witness the last days of your battle with cancer you faced your final days with grace and dignity. The amount of love and support that flowed from the lives you touched in Florida and New York was simply beautiful. You have an incredible network of old and new friends who all were there for you and helped care for you either physically, spiritually and/or emotionally. They extended their generosity to me as well – during your darkest hours – which became my darkest hours. Devorah, Rabi, Carol, Judy, Sarah, Daniel, Robert, Pat, Paula, Betty, Lilly, and all those who visited and/or called, sang, read scripture, sent cards and prayed. My mother was richly blessed by your love and care. Thank you from the depths of my heart. I would like to personally thank Brad Potts for being the best friend a person could ask for. He never left my mother's side, was a sounding board and support to me during the hospice journey and he stayed with me and my mom while she took her very last breath. I will never forget the generosity of Brad's time, care and concern.. There were some very dark hours and Brad's gentle ways got me to smile or laugh when I thought I would shatter into a million pieces. To the entire McGlone clan all of my friends and colleagues who gave comfort and support during this time. I am very touched and thankful for your thoughts and prayers. To my cousin Pat – thank you for your love, support and for always being there. NMW. I love you. You were a loving niece to my mom, your Aunt Marge, and my mom loved you very much too. Lastly, my love and gratitude to my husband Peter, and daughters Nicole and Jessica. You have loved me and my mother unconditionally throughout this journey, and you are always by my side through it all – you 3 are my life. My everything. Thank you for being such a great son in law and loving granddaughters to my mother. My mother was so very proud of our family and she loved you all deeply.

I will miss my kind, generous friend. Our phone calls were always spirited and interesting. I will treasure memories of Bible study and soup in Middle Island, visits in NY and Florida. Marge loved her Lord, her family (especially grandchildren!) her church and her friends. Love and comfort to all who mourn her passing. We will meet again. John 3:16
