I was so sorry to learn of Lisa's passing. We became friends when she lived for a period of time in Brattleboro. She was a helpful and kind person that will be missed.

Lisa my sister, my best friend, my protector. I love you and I cannot believe you are gone. My heart is missing half since you have left me. I'm not sure why God thought he needed you more than I needed you, but apparently there is a plan. Until we meet again, please rest in peace, watch over all of us. you are my angel now and I miss and love you like crazy. I'm not sure what I'm going to do without you but I just wish I could hug you one more time. I love you my sister my angel my best friend forever.
