Delores, Just learned of your passing today....we are very sad. Always enjoyed your 'bubbly' personality. You were a very nice person, and we always enjoyed your company and laughter. We will miss you greatly. Our condolences to Kelli for the loss of her great Mother.

Miss Dolores (as we called her), What an inspiration to those that surrounded you. You gave us hope for a future you have lived and endured. We loved your humor and laughter. Quotes you made from past experiences. We are blessed to have worked with and loved you. Your simple bickering between Gene and yourself, just showed how much you loved each other. We are glad we had the pleasure of being a co-worker and also a friend. You will be missed but now you get to enjoy the pleasure of life ever after with Gene and many others.
