Peggy's Family, Please know that you are in our thoughts and prayers at this difficult time. We hope that time will help you to realize that you would not want Peggy to have to suffer any more. We hope that knowing that will give you peace. We hope that it gives you comfort to know that we share your loss as Peggy was a special friend of ours at the Terraces. She was always so pleasant and had such a positive attitude even though she was in pain. She was so so proud of her family. She especially loved to talk about her great grandchildren! We loved too that she shared her love of painting as we remember that every picture had red in it somewhere. We got to know Peggy's determination as we guided her to find a way to get a more comfortable wheelchair like mine. Even though it was a long process Peggy never gave up! We are thankful that Peggy was a special part of our lives. We hope that it gives you comfort to know how much we care about your loss. Sincerely, Judy and Jim Kahl
