**C**elebrating a life well lived! Wallace David Hunter PhD was born to William and Ethel on February 28, 1931 in Mortlach, Saskatchewan, Canada. He passed with dignity on January 21, 2018 in Fort Myers, Florida. He was known as a Humanitarian, Educator, Mentor, Soldier and Barman. Wallace is survived by Doug, Kelvin (Helen), Ron (Carol), sister Laura and many nieces and nephews. Predeceased by Bruce, Etta, Olga, Alma, Velma and Goldie. He was a great communicator, as comfortable in a board room as on a factory floor. Wally's words of wisdom which he has graciously left us to contemplate: -The appreciation of good scotch is something to be cultivated and enjoyed in whatever quantity one seems appropriate; Always live prudently and within your means but drive a nice car; Respect is earned and should not be taken for granted; There is nothing in life to which you are entitled; Humility is a characteristic well served by others; Accept responsibility whatever the circumstance; Relish in the success of others! Great Job Uncle Wally! You have touched a multitude of people in such a positive way. Thanks for the adventure. A celebration of Wally's life is planned from 2:00 – 4:00 PM on Saturday, February 17, 2018 inside the Colonial Family Center located at Fort Myers Memorial Gardens, 1589 Colonial Boulevard, Fort Myers, Florida 33907, (239) 936-0555. When I was brand new to education – Wally – took me aside (on more than one occasion) and set me straight. As I just said to another of our friends “ Wally was one of the good ones”. He was the Dean of our Division at what was Edison Community College. He was and always will be an inspiration to all the educators that worked with him and for him.From the bottom of my heart – I say thanks Wally and God Bless

My sincere condolences to Wally's family & friends. I miss him too – his intelligence & great sense of humor. We had many long philosophical & amusing discussions while floating around the pool, or at a section dinner. Hail and Farewell.
