We are heartbroken over this unthinkable loss. Lisa was one of the nicest people on our block. We always looked forward to seeing her while she was walking her dog or out and about with her daughters. She always had a kind word to say. She was an exemplary mother and valued friend. Our prayers go out to her family and we will always keep her in our hearts.

My heart goes out to Kendall and Carley, and to Lisa's parents. Having lost a grown daughter I know how devastating it is for a parent. Our children are just not supposed to die before us. Prayers are with the girls and the whole family.
