I don't even know where to begin other than my heart is broken. I met Barb about 7 years ago and she has been a true friend till the end. Her kindness, fun loving spirit and caring nature will always be remembered. I will always remember her love for Peyton Manning and the Broncos especially when they played my Giants. She would always want to go out and watch the game with me. We had alot of fun times, Busch Gardens, girls night out, parties at my house, having tea at Wisteria, dancing or just hanging out talking. Barb was always so kind to me and very thoughtful. I will miss hearing "Hey MJ" and all the fun times we had together over the years. Fly High Sweet Angel I will never forget you

Barb has been my friend for 9 years. She was always so caring, to everyone around her, not just her patients. She would go the extra mile for people. She had such drive to keep going despite her own difficulties. She brought so much fun to the workplace, and motivated us as a team. I am deeply saddened for all of us who called her friend. It shows how much she touched our lives. As she joined the angels , her suffering ended. I will miss you dearly, Barb!

All friends enrich our lives, but Barbara was the rare friend who transformed our lives. She was generous, fun-loving and full of life – always ready for an adventure and happy to take her friends with her. As we smile remembering countless stories, we realize how much we will miss her. She is woven into our lives, and we will cherish every thread.
