# Alice May Mueller

DEC 22, 2017

Alice May (Mosher) Mueller passed away peacefully at the age of 92 in Fort Myers, Florida surrounded by the love of her family. As we say farewell, Alice's husband of 65 years, Alfred Gustave Mueller, welcomes home his loving wife to stand beside him once again. Alice will be fondly remembered by all who knew and loved her as a loving wife, mother, grandmother and great-grandmother. Alice leaves behind a daughter, Betsy (Mueller) Miller; a son, Dana Mueller; 3 grandsons, Jason O'Loughlin, Kerrigan Marois and Richard Mueller; 2 great granddaughters, Makayla O'Loughlin, Grace Mueller as well as many dear friends. Alice will be remembered as an amazing party planner and host of the many wonderful gatherings of family and friends which took place on Alice and Alfred's porch overlooking the water while watching a beautiful evening sunset. Alice's love of family and friends was only closely followed by her love of tennis which she played up until the age of 83 when she and Alfred moved from their home in Tiverton, Rhode Island to Fort Myers, Florida in 2008 to be closer to their daughter, Betsy and her husband Steve. A celebration of Alice and Alfred's amazing lives will take place next summer (2018) in Newport, Rhode Island where their story happily began.

Knowing your mother, she was such a delight! Her smile was so endearing! You could always see the love in her heart when the two of you were together. I am so sorry for your loss. Your mother will always be with you in spirit. Love to all...Linda Strand

Alice.. you were way more than the lady who watched us when we were kids. You are the reason why I love The Beach Boys, why I still find myself trying to make a little kid laugh just like you always did. You are the reason why I had such an amazing childhood. I will miss the way you dressed up so nicely, no matter the occasion, amongst the many things I will miss about you. We were so lucky to have known you and spend time with you for so long. You were loved more than you know. My condolences to Erin, Betsy, Jason, and family.

Alice and I go back to 1968. She was my friend and neighbor. We spent many hours together walking and riding our bikes. Alice was fun loving and always up for a party. On hot summer days, I picture Alice coming to her door in a flowing dress looking very refreshed. She loved her jewelry and belts and it was fun to see her wear them. Alice was a good cook and nurturing mother. It is wonderful to have these memories of her and to have been part of her life. Pat Hayes Our sympathies to Betsy and family and Dana and family. Alice...You taught us that the love of life...the love of family...the love of friends are treasures to always keep close to your heart. When we hear a Glen Miller song we will think of you dancing on a cloud. When we see a beautiful sunset we will think of you standing with Papa ...back in each others arms again.
