I'm so sorry for your loss. May you find comfort from your memories, as well as the comfort found in God's word the bible. In the face of such tragedy, many wonder why God allows such suffering. In the bible, Romans 5:12 says, "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."

I am truly sorry to hear about Betty's death; we had known each other since 1975, over 42 years. Betty was a strong, caring woman and my former boss and colleague at the previous Department of HRS, now Children & Families. I will always remember her kindness to me and be grateful for her support through out the years. She will genuinely be missed for her spunk, advocacy and leadership. My sincere condolences to all of her family.
