The memory I've been sharing about you was the time you came up to me, "John, I have a question," and my response was, "She's single, and you have my blessing." I miss you, man. I wish you knew how much you meant to my entire family.

Lord Alfred Tennyson wrote that "God gives us love. Someone to love He lends us." I rejoice that God, in His infinite goodness and grace, entrusted Elijah to your hearts and family and gave His salvation to Elijah through your influence and witness. You will be with him again. I ask God to comfort you, to wrap His arms around you at this difficult time, and to give you His love and comfort in this moment and the days ahead. May you know the peace that passes all understanding. — Cliff and Tomi Hunt
