Bruce was one of the first friends we made when visiting and finally moving to Cape Coral, FL. He has been a wonderful friend to my family over these many years. He loved people and had a natural easy going manner that made him everyone's friend. Down to earth, hard-working, joking, laughing, caring man...loved his daughters and grandchildren so very much...he always wanted to be with them and was always mentioning them when we spoke. He opened his home and hosted the young men in our church, gave them a place to go, gave them good advice. When young men were about to get married he would have a number of us men meet and talk with them at his home...he really tried to minister to others in the ways he could. I'll miss Bruce calling me during the week and complain about how hot it is, or ask how I'm doing. I'll miss mowing with him on Saturdays during the summers. He was such an easy going guy...I miss you my friend. As a fellow believer in Jesus Christ, I look forward to seeing you and hearing your great laugh again one day. If you knew Bruce and are reading this...please know he would want you to know and love and believe in Jesus too. Please consider who Jesus is, what He has done, and why it matters. Thank you Bruce for being my friend brother.-Rick Davis
