Daniel Thomas posted:

Jon was my friend when I didn't know what one was. He listened to me and believed in me when I didn't believe in myself. I can't believe that so much time has passed since we last spoke and I will remember this day, 4/13/2018 as the day that I found out about his passing. Rest in peace Jon Bradley. Rest in our Father's arms as I know that is the one true place you desired to be. You will be forever loved and your legacy will live on through me and countless others who had the pleasure of knowing you.
