â??Your mother blessed so many people with her presence. Praying that youâ??ll find comfort in your memories of her and in the knowledge that others are missing her, too. In the short time we have know Lyndia I am very happy to call her a sister and dear friend. the fun times, the laughs, lunches and shopping. No matter what we did we laughed and had a great time. I will miss her more than words can express and I thank God for letting me have the chance to know her. She was precious to both Larry and I. She was taken before her time but in God's time. We will be together again. May God bless and keep you and your family in His care now and forever. You are in our prayers.

I grew up as cousins with Lyndia and four others. Three are now gone but never to be forgotten. Lyndia was bossy, beautiful and won't soon be forgotten by anyone. I will miss her dearly.
