Mary Ann, you were such a good example of what a wife and mom should be. You welcomed me into the family all those years ago and made me feel so special. I would always call you for advice with Zach and you just had a knack of calming me down. I will miss you so much and know you're dancing in heaven now. Love you.

Grandma, I'll forever treasure all the Christmases spent at your house and all of our walks on the beach. I always looked forward to spending the weekend in Sanibel with you and grandpa. I'll never forget the time when I was younger when J and I spent the night at your house and you stayed up and rocked me to sleep because I was crying (even though I was probably a little too big for the rocking chair). I love you so much. -Meg

One of my favorite memories is when we were in Costa Rica. I can close my eyes and picture you on the horse and feeding the Monkeys. I could probably pick a favorite memory from every trip and every visit. Thank you for everything you have given me over the years. I love you and hope you say hello to my mom in heaven.
