I've known the Henderson family for almost my entire life. Herb and Louise were like my 2nd parents. I spent a lot of time with Cynthia growing up, I think at one time we were joined at the hip. As years passed and we all lost touch with the family I was able to be reunited with Cynthia and her Mom and Dad before her amazing Dads passing. I was so fortunate to visit with him at the VA Hospital. He was and always will be in my memories. Now with the passing of Louise my memories of this beautiful family once again surface with loving thoughts of her. May you Rest In Peace Louise. No longer suffering and reunited with Herb once again. May we all see you both again some day on the other side. Love always.....Darlene
