Sandra Ann Hatfield

JAN 20, 1984 - APR 25, 2017

Sandra Ann Hatfield of Fort Myers, Florida passed away suddenly at Health Park Medical Center on Tuesday, April 25, 2017 following a recent illness. She was 33 years old. Sandy was born on January 20, 1984 in Gloucester, Massachusetts, the beautiful daughter of Jayne (Doyle) and Robert Hatfield. She moved to Fort Myers, Florida at a young age but remained in love with the ocean and would frequently be found in a boat or at the beach. She also participated in Pop Warner Cheerleading and enjoyed playing softball while growing up. She was a student at Cypress Lake High School and after graduating, remained in the area working as a server at several local restaurants while also tending to her favorite and most important job of being a Mom. Sandy leaves to cherish her memory her two beloved children, Jenica Diller and Noah Hatfield; her loving mother Jayne Kelley (Donald); her cherished sisters Marianne Hatfield and Carolyn Remington; her adored grandmother Anne Doyle; many aunts and uncles; numerous cousins; a number of extended family members and many more people who were proud to call Sandy a friend. Sadly, she was preceded in death by her father Robert Hatfield and her grandfather Robert Doyle. A Memorial Service for Sandy will be celebrated at 2:00 PM on Sunday, May 7, 2017 inside the chapel at Fort Myers Memorial Gardens Funeral Home, 1589 Colonial Boulevard, Fort Myers, Florida 33907, (239) 936-0555. Friends will be received for an hour preceding this service beginning at 1:00 PM also inside the funeral home chapel. To share a story, leave a tribute or to offer condolences to the family at this difficult time please visit Sandy's memorial webpage at www.fortmyersmemorial.com and sign her guestbook.

Sandy and I met when she moved in upstairs from me. She was great. My dog mugsy, that hates people, loved her. We clicked right away, must have been an up north "mass" Thing. She was a compassionate person and a great mom, not to mention a great water source, only she would know what that means. Never were 4 children so lucky. You left a light on that can never be extinguished. Rest In peace.

I worked with Sandy at Cheers Early Learning Center. We worked together in the one year old class for almost 2 years. (this was when Noah was in the class). I told her that I was here to work, not to make friends, that I didn't want to get involved in anyone's drama. I said if we get along, that is great, but we're not going to be friends. She said whatever, we're gonna be friends. Before I knew it, she was right. I would go on my lunch break, and buy her a coke, every day even though she usually didn't have the money to pay me back, and I really didn't have extra money. Then she would tell me I was her hoe, and we would laugh.. She was an awesome Mom to Jenica and Noah. Even when she didn't take very good care of her own health, she always made sure those kids had everything and more! She also touched many lives as a teacher. she also had a huge impact on the afterschool age kids. I know she will be missed. She was the only teacher that could get through to my son William without yelling or grabbing him. He loved her! I will never forget you Sandy! You will always be in my thoughts forever!

Sandy was one of the first people I met when I came to Ft Myers. One thing I so loved about her was her sense of humor and desire to make everyone around her smile. She was such a beautiful, kind hearted person! Always bragging about her Jenica—such a very proud mama! ?? Sending love to the family she so dearly loved and who loved her just as fiercely in return. –Monica
