Paul J. Lee

SEP 14, 1940 - APR 21, 2017

Mr. Paul J. Lee of Fort Myers, Florida passed away Friday, April 21, 2017 at Gulf Coast Medical Center after recent health challenges. Paul, 76, lived the American dream with humility and gratitude. Family and close friends were a priority and generosity was one of his most notable virtues. From humble beginnings in business, he built a very successful enterprise – but his greatest pride was to be found in Carol, his wife of 57 years, his two children, five grandchildren and one great-grandchild. Some of his happiest moments were sitting around the table telling stories, having everyone visit the family farm in Kentucky, or fishing on his 14ft bass tracker on the lake. To those who knew him well, he was the best friend, husband, dad, Granddaddy and Great Granddaddy that anyone could have ever asked for. Paul is survived by wife, Carol; Sons, Brent (Lauren) and Darryl (Lisa); Grandchildren, Brandon, Morgan, Austin, Garrett and Marissa and his Great Grandchild, Emmie Kate. Visitation will be 10am until 12 noon followed by funeral ceremonies at 12 noon, Tuesday, April 25, 2017 in the chapel of Fort Myers Memorial Gardens Funeral Home 1589 Colonial Boulevard, Fort Myers, Florida 33907. Interment will immediately follow in Fort Myers Memorial Gardens Cemetery. Memorial contributions are suggested to The Cleveland Clinic 9500 Euclid Avenue, Cleveland, OH 44195. Online condolences and memories may be shared on his tribute page at www.fortmyersmemorial.com

Miss Carol, Brent, and the entire Lee family, it was always a joy and a laugh when Mr. Paul Lee entered the building, and I so looked forward to the interaction as my client for many years in Bonita and Sanibel, so I will truly miss him and offer you all my heartfelt sympathy. He called not so long ago and mentioned an issue he was having, but quickly added "Dont you even think about worrying about me, I'm blessed and I'm lucky it's just this and I'll be fine!" I can hear him saying that, so I know he's even better now, probably riding one of his tractors on a big piece of land he's in charge of in Heaven! Enjoy the ride! It's only farewell for now!Karen@CongressKaren CafazzoSanibel Island

We met Paul and Carol just after they built their home in Kentucky. Paul's warmth and easygoing nature made everyone he met feel like a long-time friend. He had a unique ability of fitting in with anyone, no matter what the situation. His giving spirit, his willingness to help others, are rare qualities seldom seen in today's world. He will not be forgotten. Lindell and Carole Hargrove

We count it a blessing, privilege, and honor to have known Paul and Carol. They were always a blessing to us and we count them as dear friends. There are very few that we respected more than Paul. He will be dearly missed here in Kentucky. We will never forget Paul. I'll always remember him saying, "now Keith", when Keith would try to get a rise out of him. Keith loved to do that. I pray for God's peace and comfort upon the whole family. Carry on Paul's legacy. He was a "good" man. I know that he is rejoicing with our heavenly Father in heaven now. Love to you all, Keith, Gail, and Karen Heltsley
