Dear Martha, I just wanted to tell you how saddened I was to hear of your mom's passing. I hold nothing but the fondest memories of your parents when they were members at the KCC. I know you and Mike have been residents of Ft. Myers for quite a while. I'm sure your mom was a great grandmother to your children. Please pass on my feelings of your loss to your brother. I have been retired from the KCC since 2002. I retired from teaching in 2004. I still stay involved at my old school with an intramural program. I also mentor and coach Little League and Bradford High School baseball. Despite all those years I worked at the Club, I never did take up golfing. People always ask me how my golf game is. I don't think they believe me when I tell them I don't golf. Your father would enjoy that story. Your Mom was an angel here on earth. She is now one in the same with your dad. Take care, Martha. Bill, Martha, and family, I was very sorry to hear about Aunt Mary's passing. She was a very intelligent and beautiful woman. I remember the last time I saw her in Kenosha. She and Uncle Evo came to dine with my mother, Hilda Sentiere Cox. All of us had a fun time talking about family history. Aunt Mary knew so many details. She would add details to stories I had never heard. I can still remember times going to Aunt Mary and Uncle Evo's beautiful home in Kenosha. She loved her home and her family. Aunt Mary was a class act.

To Bill & Martha, Your Mother (Aunt Mary) was very special to me. We last spoke when Uncle Doc passed away a few years ago. As my Aunt and financial trustee we had some interesting conversations from the time I was thirteen years old until age 43 when things were all settled. She was always very pleasant as well as interested and supportive of what I was doing. She was proud of her Irish heritage, had a great smile and always enjoyed a good story or scoop. She was a pillar of strength for me and reminded me of my Dad who I lost at age nine. She will be dearly missed but never forgotten. God bless you both. Mike Thomey
