Felice, Jeff, and all the beloved grands and greats—what a blessing to have met your dad. He was kind and easy to talk to. From everything you have shared, he lived his life well, passed on godly values, and made family a priority. Mourning, yet rejoicing. Looking forward to seeing him again in Heaven. I love you all with all my heart. ??

Offering my prayers this morning for Grandpa Nick and the repose of his soul! How many loving memories I have from visits to your home in Winter Haven and the restaurant there to excursions on the boat to more recent times at your home, Felice and Jeff. Nick was thanking God for his blessings! Nick was a blessing in our life and I pray he is experiencing the peace beyond our understanding and the joy we know that awaits all who Trust in Jesus! Praying for you all in sympathy for such a great loss, with much love.
