Tony was a polite, respectful young man. He always spoke when I met him coming or going and when we just happened to see one another. I am deeply saddened that his time on earth was so brief. My deepest sympathies to Edna, Jill, Marissa and Sofia and all who loved him. May peace be with you.

My deepest condolences to Tony's immediate and extended family. I've known Tony and his family for 15 years. We were neighbors for 6 of those years. My memories of Tony are many. I used to love coming home from work, still in my Police uniform and watch him and his friends scatter. I'd call Tony and his brother Dom over and ask if they were being good. The answer was always yes, with scared little voices. When I moved to Florida and saw Tony for the first time in just a couple years, I couldn't believe my eyes!! Little Tony had grown up and what a nice, polite young man he had become!!..We Did share some tough times down here but he never disrespected me..When I saw him he hugged me so tight, I called it a "never let go hug".. Even when he went to California for a few months, he took the time to call me just to see how I was doing..I cherish those memories. Tony, I like to believe you lived a full life, although it was over way to soon..You were loved by so many. Marissa, all your friends, friends of the family, they all loved you. Dominick looked up to you, Your uncles loved you like a son, your aunts treasured you and of course your mom and grand mom loved you dearly! Although you are gone, you will never be forgotten!! You will definitely live forever through your beautiful Sophia..Fly high angel..love you, Michelle
