I am trying to find my relatives on my fathers side! I don't know anything really about him or anyone actually! I was able to meet him when I was 18 but other than that it's blank! If of the couturier family would like to reach out to me that would be great! I was born Tina Marie Couturier but after my adoption it change to Tina Marie Butler. I am on face book under Tina Marie. I am hoping to hear from someone.. anyone..

I have not seen my father since I was 9 years old. I has always been hard living without him. Though most of my life is filled without memories of my father, what little time that I did have with him was always happy for me.

I'm not sure if you will get this but I'm sure hoping you do!!! I could never get any information from anyone other than your name is billy!!! I just happened to come back and look at his obituary and saw this message I have no childhood memories of my father but I've always wondered what he would have been like if he was in my life. My name is Tina Marie Butler (Couturier) and I am your sister... I would really love to meet you if you're okay with it. I am going to try to find you another way but if I'm not able to I'm hoping you see this.
