Coreen and I had many a delightful luncheon together, reminiscing about our lives and funny stories we had of our upbringings. We would turn around any negative feelings and end up with humor and optimism, a good solution for many problems! I will miss her. She added color to my life and appreciation for growing older in a matter-of-fact way. Sail on, Coreen! With love, Ruth Rohde (and John) her former neighbors at Yachtsman's Cove, N Fort Myers.
