Dad, Today was Sally's home going service. It was a beautiful service and she looked so peaceful. Her service was in the same room we had yours 3 years ago. My grief for both of you is overwhelming. A part of me has passed on too. Sally has missed you so much and I believe her health became worse over losing the love of her life. Thank you for bringing Sally into my life. She was one of a kind and she will be and is truly missed. She was laid to rest with you in the mausoleum. She is now at peace no more pain from health and no more pain from heartache. May you both rest in peace as you reunite in Heaven with God. I love and miss you both! Love, Jennifer

Dad, Sally passed away yesterday and my heart is broken. We were getting together for Christmas but she left us to be with you in Heaven. She's missed you dearly. I know you were there to welcome her with open arms. I miss you both so much. We had a bond which was you and I've lost that now. One day we will be together again. Until then may you both rest in peace!
