I didn't hear of Nurse Pam's passing until just now, when I happened to see it referenced in a post about Dr. Bartlett, and I am deeply saddened. She was my children's main caregiver when they were small, and I will never forget her kindness, her sweetness and patience with all my questions, her loving encouragement in the face of my fears as a new mother... and her support when health issues were discovered. She was truly a blessing to those of us who encountered her, and I pray that knowledge brings her family some comfort.

I was heartbroken to learn of Pam's passing. She was always so pleasant and kind! Fond memories of her during our wrestling seasons at ECS. She took great care of my son when he was injured at an away match years back. My heart aches for Larry and the family but I rejoice knowing she is at peace with her Savior...no more pain, no more sickness.

Pam, you touched so many people with your caring and loving ways, your effortless, tireless attention to your family, friends, patients, colleagues, Church....always supporting, mentoring, teaching, sharing, giving...the title of Role Model in the dictionary has your picture as the example of what a role model looks like...rest easy, and pain free, my dear, dear, charming friend...Marlo

Pam you touched everyone you knew in a bright and positive way. Saw the good side of everyone and it rubbed off a little on all of us I hope. My memory of you will always be the time we were working together when your son was in Rome and we would get the daily smoke updates from the Vatican. And of course how excited you were when you knew you would be a grandmother. So many delightful stories you shared. All of us wanted to work with you, be around you, know you. That was the blessing you gave to us. In loving memory, Jan

I was blessed to work with Pam in the NICU. Her caring personality and quick wit endeared her to all. She was my roll model and mentor. Her passion and love of life, her family, and most importantly her devotion to our Lord and Savior were inspirational to everyone she touched. My love and prayers go out to those that loved and cared for Pam. I rejoice in knowing that one day we will be reunited in our Father's presence.

One of the fondest memories of Pam was when she was just a young teen and we were invited to there house for a special occasion. Pam made a dessert called Peach Stuff. It was so delicious and I asked for the recipe. She wrote it down for me and I still have it . I will keep it forever!!
