Law and she preceded him in death. He graduated from the University of Illinois with a degree in Management. He was a key figure in opening Caterpillar in the Far East Market beginning in 1965 and he thereafter helped to start up Caterpillar/Mitsubishi in Japan. Hong Kong is where he met Vivian, the love of his life, and they lived there for many happy years together. He served as President of the American Club in Hong Kong several times. Donald was passionate about life. He was an explorer and loved to travel, spending time in Geneva, the Philippines, Japan and many more places. Donald was an avid golfer and was proud of his two holes-in-one. When he retired, he resided in his beloved home in Fiddlesticks Country Club for over twenty years where he spent many hours tending his garden and golfing. Donald was well-respected and his reputation preceded him. He always lived life to the fullest and was an exceptional man. He had dignity, charm, humor, and intelligence. Donald loved the arts and enjoyed opera and classical music. He loved people and made friends wherever he went, always leaving a lasting impression that made the room feel empty when he was gone. He will be greatly missed. He was a member of the Church of the Cross in Fort Myers. Surviving are his children, David Griswold and his wife Anne of Jacksonville, FL, Lori Ann Griswold Wagner and her husband Brian of Ruckersville, VA; grandchildren, David Griswold Jr., Douglas Griswold, Jessica Fitzpatrick and her husband Peter Fitzpatrick, Jeanette Worrell-

Don helped set up Caterpillar Far East Ltd. office in Hong Kong 50 years ago. He was a friendly and easy-going "boss" in the office, a very popular Kwai-lo amongst the local staff. While we are expecting to see him as our honorable guest and speaker at the 50th anniversary reunion dinner coming October in Hong Kong, we are shocked and sad to learn of his passing away. Don will be sorely missed. May he rest in peace. Our deep condolences to Don's family. Take care. Pearl Yimex colleague, Caterpillar FE Ltd HKG from Irvine, CA

Don and Vivian became very good friends after we met them in Hong Kong. They were always helpful to a pair of "newbee's" to Hong Kong. Everyone liked and respected Don. He was a good friend. Dan and Lynne Walters
