I wanted to be a Nurse... I went to a Nursing School... I have been licensed by the Florida Board of Nursing... I have been told by so many patients and their family members that "You have a HEART FOR NURSING. YOUR ARE A LIFE SAVER." I usually reply to them by: "I have been following a Nurse named MARCEL." Starting 07-29-2016, my new answer to them is "I have been carrying Marcel Cleoplat's heart." If nowadays I practice nursing with ease is because you shared your experience with me, Marcel. R.I.P my coach/model. Fortunately, we will meet again. Prayers to your wife Yvenia, your brother Jean, and all....Gabriel Saintus Georges, 08-12-2016
