Grandma,I have such wonderful childhood memories of hot Florida evenings swimming in your pool, Fourth of July holidays waiting in the driveway for your arrival, our years of being pen pals and getting giddy over seeing the sticker adorned notes in the mail, and eagerly awaiting the opportunity to be your "poker partner" when the adults gathered in the living room and throwing in your bets and counting the winnings which you always shared with my piggy bank. You will be sorely missed by everyone who loves you, but we will all remember your smiling face and wonderful laugh that always filled a room and made others laugh with you.You will always be my "Grandma in Florida" and I will always cherish the moments I had with you. Love Always,Elyse
