In Loving Gesture to the Cuti Family,I am a link in Lord Buddha's golden chain of love that stretches around the world. I must keep my link bright and strong. I will try to be kind and gentle to every living thing, and protect all who are weaker than myself. I will try to think pure and beautiful thoughts, to say pure and beautiful words, and to do pure and beautiful deeds, knowing that on what I do now depends my happiness and misery.May every link in Lord Buddha's golden chain of love become bright and strong and may we all attain perfect peace~ Buddhist Prayer
