I am so sorry to hear of the death of Rex. He was a wonderful person that I had the pleasure of knowing in the 1980's. I know how much he loved his family. He was a caring man, a bit of a practical joker, was there when you needed him and I truly enjoyed his friendship over the years. I remember lots of good times at work at Cummins and being a neighbor down the road on the county line in Seymour. I am sure his family as I will cherish good memories. Sandy (Wehmiller) Benefield

Rex was a wonderful brother in faith.. He was always there if someone needed help. Whenever I needed a shoulder to cry on there he was. He made a great peanut butter pie. All I had to say was, REX I SURE COULD GO FOR SOME OF YOUR GOOD PEANUT BUTTER PIE. A couple of days there would a knock on the door and it was Rex with a peanut butter pie. I know there is another angel in heaven and he is making his peanut butter for the Lord . God Bless you .Brother Rex Sandy Abrams

I recall Rex from my association with him as a brother in law. We spent time together, working on projects at our house, as well as the times I helped him build his cabin in the woods, the "old fashioned way"; using no electricity!! Native Oak lumber can be a challenge to handle, and to penetrate with nails driven by hammers! Grin.I recall hauling the logs up the road to a small sawmill that converted them to lumber. Then a gang of us hoisted and assembled.The last time I heard Rex visited this area, I had hoped to see him, but he had returned home before I was able to make contact. My sympathy to Ramona and Charity, as well as the kids and grandkids, and others who came into contact with Rex. A.C. Reeves
