Our cousin, Doreen, was a very special person....one who chose to admire the good qualities of others while overlooking their faults....one who shared her love, her home and herself without hesitation, when there was a need....one who battled her war, heroically, with her terrible disease!! shall never forget how she worried about me during her own illness, (I'm so glad we met for lunch that day, Doreen)!Thank you, Saul, for being the most loving, dedicated and devoted husband to her. She was so lucky to have had you by her side!May the beautiful memories of the past help all of you....Saul, children, Roz and family, to heal quickly in the future!Larry and Temmie
