Our most sincere condolences to the McLaughlin/Hottel family. I have always said Helen was "Donna Reed" with a PHD! Such a fascinating person to sit and talk with who knew so much about so many things. She certainly loved her family – especially her Grandchildren who were her PRIDE AND JOY! It was touching to see her interact with them and the smile that they brought to her heart as she spoke of each of them. . . She will be missed. I do feel so blessed that we got the chance to be a part of her wonderful life.
