My dear sweet Helen, you will be missed by many. Your smiling face and kind words were an encouragement to all who met you. Your love of Christ was evident in your speech and actions. You were an example of what a Christian was supposed to be. I envy you being in the presence and arms of Jesus and will see you again someday. Love you, Cyndi Anthony, Jean, Joan and Gary: As you know, your mother meant so much to us here at Guiding Light Community Church. We have really missed her and AJ being such a vibrant part of our church family. I am so sorry to hear of Helen's passing. Please know that God will see you through this hurt that you are experiencing now. His arms are wrapped around you and He is able to provide comfort that no one else can provide. Your mother is having a marvelous time in heaven. She is well and reminiscing with all of her old friends and family members. I love you all and hope to see you again. A.J.: I miss seeing you out for your walk dressed in shirt and tie. I loved the energy you had. I'm sad that you have lost the love of your life but know that she is with Jesus now. You will be reunited with her one day and will see the face of our Lord. You have been missed here at church and we look forward to seeing you again. I Love you and pray for you to feel God's comfort during this time of loss.
