To The Family of Lloyd Morrison, I received Lloyd's Obituary this morning from a classmate. I got out my Quaker Album to look up Lloyd. He wrote by my picture in 1953. I remembered him as a special person. May you be blessed by the time you had together. He is now at peace! Blessings, Ann Sandrock (1953)

Our lives are touched by many people, but only a few leave that special feeling in our hearts which lasts forever. Lloyd was one of those special classmates. Anyone connected with Lloyd soon found that out. I extend my deepest sympathy to his family for their great loss and pray that they will survive with him in their minds and hearts.
