Very sad to hear of your dad's passing. He did over and beyond to take care of my dad Robert Taylor until his death words cannot express my sincere gratitude to him and your mom. They both have a special place in heaven. He loved his family so much and was very proud of all of you. He also watched out for my aunt as well. God Bless both of them for all their good deeds.

So sorry to hear of Richard's passing. He was a wonderful caring family man and always watched out for my dad until his death. Afterwards he continued to do whatever he could to be a good friend. Never forget you and Shirley. Both of you perfect match.
