Please accept my condolences on Nick's passing. My heart dropped when I heard the news. I knew Nick from LeMoyne. Luckily we were able to spend some time at the last two reunions. He was a fine man and I never heard him say a bad word about anyone. He will be missed.Lou Carvelli LeMoyne Class of '66

Josephine – I am so sorry for your loss. Nick was a good friend of mine when we were attending LeMoyne College. One quick memory: After college, he contacted me to see if the company I worked for would lend him \$100,000 for a real estate investment he was working on. The company said they were sorry, but they didn't invest less than \$1,000,000 in real estate projects. Funny, but he didn't come back and ask for the million... Sounds like he still did very well, and I'm very happy for that.He's one of the good guys. Knowing Nick, you must be wonderful and that the two of you raised a great family. I am confident that your sons will carry on his good works. You are all in my prayers.Tom Anguish LeMoyne Class of '66

Jo and family:Both Mike and I were deeply saddened when we learned that Nick had died. Recently, Nick and I served on the Excom Committee of the Power Squadron, and last spring you and Nick trained Mike and me in as "bartenders" for the dinner meetings. Nick – and you, Jo – always have a gleam in your eye and ready smile. Fondly, that is how we will remember Nick. I am sure that this memory of him – his quick smile – will remain with you forever. Please hold that, and many more cherished memories, close to your hearts. Our prayers and our thoughts are with you now and in the days to follow. Pat and Mike Schmidt
