I worked with Todd back in the early 2000's in Greensboro NC. He was such a fun guy & made everyone laugh. Even though our paths went in different directions, thoughts of him would bring a smile to his past coworkers faces from time to time. Especially when we remembered his pronunciations of our southern words. Our hearts are saddened & Todd will be missed. Prayers go out to all of Todd's family and friends.Chuck & Sylvia Russ

We had the privilege of knowing Todd as he progressed from a teenager to young man to a family man with daughters. His Mom would tell us stories about him and bring pictures of the daughters which showed their love and joy being around Todd. He would stop by our business periodically, sometimes alone and sometimes with one, two or three daughters. He was always ready with a smile. We will miss those visits and his presence. We have very fond memories of Todd as a young mid teenager. He was a very well mannered young man, whom we were very pleased to have our daughter in his company. We remember Todd as fun loving and his enjoyment of music and dancing as a few of his loves. We will miss Todd but we will never forget Todd. Our love to his family. Mike, Linda & Jennifer Prentice
