Aunt Charlotte will be hugely missed. She quickly became my mother and friend when we met. She was always such a blast to be around. She was always very giving and welcoming anytime we came to visit and was such a huge help to family. When we moved to Florida she was so helpful in showing us around. Anytime I called Aunt Charlie for advice I knew she would give me the perfect wisdom to go by (even if I didn't want to follow her advice from frustration of a situation) I knew she was right at the end of the day and used her wisdom. She was a very honest and spiritual woman that I looked up to, deeply adored and loved. Aunt Charlotte had such a vibrant personality, she glowed in the dark. She's the type of woman that has formed me into being a better mother and friend. She adored her family and husband very much! I would say rest in heaven Aunt Charlotte but I know she's enjoying the company of family already there and having a blast. I love you and my heart will be forever changed by you. Thank you for touching so many lives! May we all pick up where she left off! Debbey Courtney Grimm614-725-7727

Auntie Charlotte was my longest and dearest friend. She was the sweetest, most giving person I have ever met. She taught me, among a lot of other things, to give selflessly. She was also such an unjudgemental person. I feel so blessed to have had TWO mothers growing up and throughout my life. I will forever be grateful to have had the privilege to love her and be loved by her. I miss her so much and I will forever. Knowing Aunt Charlotte she is redecorating in heaven. Paula

Charlotte will be missed greatly. She was my Mother in Law many years ago and always, always a wonderful Grandmother to my son. Thus she was an important part of my life although we only saw one another every couple years. I'd know she was ill but it was still a shock to hear of her passing. She always had a smile and something kind and loving to say any time we crossed paths over the years. My heart goes out to Barney and the rest of the family. Its painful to know she won't be there when I visit Florida to call me "sweety" and give a big hug. Sincerely, Harold
